

Previous Adopter/Foster Family Adoption

Application

This application is designed for applicants who have previously adopted a dog from Furry Bottoms Rescue (FBR) and foster families who would like to adopt their foster dog. The following information combined with information on your previous application is required to update our records. Please print clearly and return to the address at the end of this form or submit an online application found on our website: www.furrybottomsrescue.com.

This application does not guarantee that you will be approved to adopt the dog you are interested in. Furry Bottoms Rescue strives to insure that each dog is matched with the best home for the dog's individual needs and traits. A FBR volunteer may contact you for additional information.
